RD-4320E

High Speed Print

The print speed of RD-4320 digital duplicator have 5 levels from 45ppm to 130 ppm. It only takes 8 minutes to print 1000 copiers at top speed, which greatly promotes office work.

Enlargement / Reduction

You can reduce or enlarge your original. Standard allows you to resize a standard size original to another standard paper size (B4→A3, A4→B4 etc). Zoom and Free lets you specify a numerical resize ratio from 50% to 200%

Making Master Of Double Documents

RD-4320 combines two documents into one, make one plate, which can save the print paper, ink and master. Therefore the print cost is reduced.

Colorful Chromatically Printing

With a simple drum change, multiple colour printing is available.

PC Connection

Equip standard USB interface, is a perfect printer. High-speed computer connect function save your time and improve the working efficiency.

● Traditional way: It takes 4 hours and need participation of the operator

- Time saving
- High efficiency
- Excellent quality

● It takes two procedures, and the operator only needs to practice distant controls on the panel.

Functions	Specification
